Walterians Seek More Classrooms

Walteria Business Men's Association will meet tomorrow night to launch a concerted campaign to secure more adequate school facilities for the area.

President J. A. Beasley said that discussion in the community hall will be devoted to a written demand to the Torrance city council and board of education for the construction of temporary classroom space in Walteria.

He said the group will also consider demanding that the Board of Education construct an elementary school to absorb the increasing population.

At present Walteria is served by a single elementary school.

"At this meeting the officers of these organizations together with their committee chairmen propose to determine specifically what course of action the Board of Education intends to pursue in order to relieve the situation," the petition stated, adding:

"The emergency demands that the Board's written reply to these requests be made available for this meeting.

Lomita 20-30 Club Receives Gala Send-off

With an accent on youth and community service, a new 20-30 club has formally taken its place among Lomita organizations.

Charter ceremonies and other evidences of christening took place Saturday night before more than 50 witnesses at the Hermosa Biltmore hotel.

High-ranking club dignitaries, including International President Dr. Hilbert, were present to give an official look to the proceedings which included installation of officers, initiation of members and presentation of charter, gong and gavel to club No. 354.

District Governor George Graziadio installed President Art Steele, who headed the group unofficially for several weeks, and the other officers, who include Vice President Dan MacHale, Secretary Ken Garcelon, Treasurer Bill Ulrich; Sergeant-at-Arms John O'Harrow, and Directors Ted Reed, Keith Keeley and Joe Dicey.

Installation was followed by the presentation of charter by Dr. Hilbert, and the acceptance by Steele.

The Torrance 20-30 Club, which sponsored the new club, was represented on the program by President Howard Foster, who introduced installing officers and Past President Dick Brown, who presented gong and gavel. Deputy Governor Ed Neushutz initiated the membership. Dancing followed the ceremonies.

Formed last April, the Lomita 20-30's have already sponsored a "Gauchos Days" queen contest—an outstanding success—and several fund-raising events. The group meets for dinner every Wednesday night at the Fish Shanty.
